americans and other english speakers have long associated the name of hans christian andersen exclusively with fairy tales for children danes and other scandinavians however have preserved an awareness that the fairy tales are but part of an extensive and respectable lifework that embraces several other literary forms moreover they have never lost sight of the fact that the fairy tales themselves address adults no less than children significantly many of andersen s coevals in the u s knew of his broader literary activity and the sophistication of his fairy tales major authors and critics commented on his various works in leading magazines and books establishing a noteworthy corpus of criticism one of them horace e scudder wrote a seminal essay that surpassed virtually all contemporary writing on him in any language the basic purpose of this study the first of its kind is to trace the course of american andersen criticism over the second half of the nineteenth century and to view it in several american contexts

hans christian andersen was the most prominent danish author of the nineteenth century now known primarily for his fairy tales during his lifetime he was equally famous for his novels travelogues poetry and stage works and it was through these genres that he most often reflected on the world around him with the bicentennial of andersen s birth in 2005 there is still much about the writer that is not yet common knowledge this book explores a single aspect of that void his interest in and relationship to the musical culture of nineteenth century europe why look to andersen for information about music to begin andersen had a musical background he enjoyed a brief career as an opera singer and dancer at the royal theater in copenhagen and in later years he went on to produce opera libretti for the danish and german stage andersen was also an avid music devotee he made thirty major european tours during his seventy years and on each of these trips he regularly attended opera and concert performances recording his impressions in a series of travel diaries in short andersen was a well informed listener and as this book reveals his reflections on the music of his age serve as valuable sources for the study of music reception in the nineteenth century over the course of his life andersen embraced and then later rejected performers such as maria malibran franz liszt and ole bull and his interest in

opera and instrumental music underwent a series of dramatic transformations in his final years andersen promoted figures as disparate as wagner and mendelssohn while strongly objecting to brahms although such changes in taste might be interpreted as indiscriminate by modern day readers this study shows that such shifts in opinion were not contradictory but rather quite logical given the social and cultural climate of the age

stories that have delighted children and fascinated adults for over a century are the heritage of hans christian andersen this collection has been selected and translated with the growing audience of adults both students and general readers in mind and displays the full range of andersen s authorship from parable to science fiction in this fresh contemporary translation rossel and conroy have endeavored to preserve for the english speaking audience the engaging duplicity of andersen s style the tension of play between his sympathetic conversational tone and his use of the studied effect this is a tension between the simplicity of stories intended to be read aloud to children and the subtlety of the allegory skillfully woven into each for the adults who would be listening and must have something to think about as andersen said the introductions provide an overview of andersen s life and struggle to become an author as well as an analysis of his contributions as an artist and storyteller each story has also been provided with an endnote giving publication dates information about the genesis of the tale and relevant comments by andersen and other readers who remember with nostalgia such tales as the ugly duckling and the little match girl may be surprised to find the biting satire in many of the stories such as the nightingale and the gardener and the lord and lady the revealing self portraits of the author in the sweethearts the butterfly and the shadow the mysticism of the story of a mother and the bell the prophetic quality of in a thousand years time and the complexity and charm of the snow queen the book contains the drawings of vilhelm pedersen and lorenz frolich that originally appeared in the first illustrated danish editions of andersen s tales and stories

never perhaps has so bizarre a figure crossed the stage of world literature alison prince brings him into the light the times

diva modern accessible and accurate translation of andersen s beloved stories which effectively captures andersen s conversational and ironic tone and lends itself to use

in the classroom div
