little critical attention has been given to its inclusion in film and television this book examines a selection of films and tv shows from the 1980s to the present including mask high fidelity the sopranos and the wrestler that feature springsteen s music on the soundtrack relating his thematic preoccupations with religion the vietnam war the promise of the open road economic disparity and blue collar malaise his songs color narrative and articulate the inner lives of characters this book explores the many on screen contexts of springsteen s work from greetings from asbury park n j to springsteen on broadway

this volume takes its title from the first century christian catechism called the didache even as this broken bread was scattered over the hills gathered together and became one so let your church be gathered together from the ends of the earth for christians today these words remain relevant in an era of massive human movements voluntary and coerced hybrid identities and wide ranging cultural interactions how do modern christians live as both a scattered and gathered people how do they live out the tension between ecclesial universality catholicity and particularity distinctive ways of being church in a given culture and context do christians today constitute a diaspora a people dispersed across borders and cultures that nonetheless maintains a sense of commonality and mission scattered and gathered catholics in diaspora explores these questions through the work of fourteen scholars in different fields and from different corners of the world whether through reflections on zimbabweans in britain levantines in north america or the remote island people of chiloe now living in other parts of chile they guide readers along the winding road of insights and challenges facing many of today s christians

a rallying cry to link the food justice movement to broader social justice debates the united states is a nation of foodies and food activists many of them progressives and yet their overwhelming concern for what they consume often hinders their engagement with social justice more broadly food justice now charts a path from food activism to social justice activism that integrates the two it calls on the food focused to broaden and deepen their commitment to the struggle against structural inequalities both within and beyond the food system in an engrossing historically grounded

and ethnographically rich narrative joshua sbicca argues that food justice is more than just a myopic focus on food allowing scholars and activists alike to investigate the causes behind inequities and evaluate and implement political strategies to overcome them focusing on carceral labor and immigration crises sbicca tells the stories of three california based food movement organizations showing that when activists use food to confront neoliberal capitalism and institutional racism they can creatively expand how to practice and achieve food justice sbicca sets his central argument in opposition to apolitical and individual solutions discussing national food movement campaigns and the need for economically and racially just food policies a matter of vital public concern with deep implications for building collective power across a diversity of interests
